

Whether offices, archives, studios or artist's workshops: our robust and durable cabinets are designed specifically to protect your valuable papers and/or collections in the long-term. Choose from a range of sizes and models that ideally blend with your working environment.

Free-standing or **suitable for integration** into mobile shelving systems

Stackable to make the best possible use of space

Robust, durable **steel structure**

For formats up to **DIN A0+**

Centrally lockable and **optional individual drawer locks**

High-quality **powder-coating**

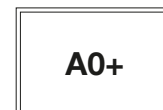

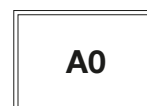

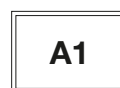

Up to 40 kg load capacity per drawer

You decide: drawers can be **pulled out by 80%** (roller pull-out) or **100%** (telescopic pull-out)

Plenty of combinations and extensions possible thanks to optional plinths, cover plates, holding-down clamps, individual drawer locks, customised colour schemes and much more.

Map cabinet for space-saving and secure horizontal storage of drawings, plans, sketches, paintings, prints, artwork, collections, posters, small parts etc.
