

FOREG[®]

PLAN

STORE FLAT AND SECURELY.

Rawings and maps optimally protected.

Whether offices, archives, studios or artist's workshops: our robust and durable cabinets are designed specifically to protect your valuable papers and collections in the long-term. Choose from a range of sizes and models that ideally blend with your working environment.

FOREG® Plan convinces with plenty of combinations and extensions possible thanks to optional plinths, cover plates, holding-down clamps, individual drawer locks, customised colour schemes and much more.

- **Free-standing** or **suitable for integration** into mobile shelving systems
- **Stackable** to make the best possible use of space
- **Robust, durable steel structure**
- **For formats up to DIN A0+**
- **Centrally lockable** and **optional individual drawer locks**
- **High quality powder coating**
- **Up to 40 kg load capacity per drawer**
- **You decide:**
drawers can be **pulled out by 80%** (roller pull-out)
or **100%** (telescopic pull-out)

FOREG® Plan:

Map cabinet for space-saving and secure horizontal storage of drawings, plans, sketches, paintings, prints, artwork, collections, posters, small parts etc.
